Comments:

(1) Temporary Storage Period equals to eight (8) Days

(2) Temporary Storage Period equals to seven (7) Days

(3) It is the transfered of the requested LNG Cargo Unloading on 30.12.2011

(4) The reduction of the LNG Cargo at the level of 38.500 m3 is occurred after accepting the Operator's proposal by the Users ALUMINIUM SA and MOTOR OIL SA.

(5) It is based on a new nomination that the User ALUMINIUM SA submitted

It has to be noticed that the reduction of the Temporary Storage Period (points 1 and 2) was arranged, after the Operator's proposal, between the Operator and the Users PPC SA, ALUMINIUM SA and MOTOR OIL SA.
